PROGRAM OUTLINE

6. Negotiation, Persuasion and BD Strategy

- Understand the fundamental differences between negotiation and persuasion in a business context.
- Identify and apply different social styles and closing tactics.
- Learn the key stages and types of negotiation, including effective debating, proposing, and bargaining techniques.
- Master essential negotiation concepts like BATNA (Best Alternative to a Negotiated Agreement), ZOPA (Zone of Possible Agreement), and WAP (Walk Away Price).
- Learn and apply the SOSTAC model for robust strategic planning.
- Utilize the Ansoff Matrix to identify and map strategies for business growth.
- Conduct strategic analysis and formulate responses using Porter's Five Forces framework

METHODOLOGY

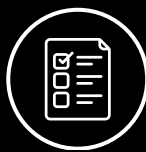

Our methodology is based on the notion that education should be tailored to the needs of the economy and the labor market to enable our program graduates to be equipped with the skill sets that will help them succeed in their careers while filling in the employment needs of growing enterprises -especially the small and medium enterprises (SMEs).

The program also features six Simulation Games, an immersive gamification-based learning system that replicates real business environments to deepen understanding through experience.

Each Simulation Game is uniquely designed for a specific course, enabling participants to translate theoretical knowledge into real-world practice in an interactive, engaging, and practical way that strengthens retention and decision-making skills.

ALUMNI CAREER HUB (ACH)

At BDI, we are committed to supporting our graduates even after they have completed the program. That's why we offer the Alumni Career Hub (ACH), a dedicated system designed to assist our certified graduates in advancing their careers. Through this system, we provide:

1. One-on-One Career Consultations

- Personalized assessments to evaluate graduates' skill sets.
- Tailored career advice and professional guidance to help graduates navigate their job search effectively.

2. Exclusive Partnerships with Leading Recruitment Firms

- We have established partnerships with top recruitment agencies across the MENA region to connect our graduates with the best job opportunities

3. Connecting Graduates with the Right Companies

- We actively bridge the gap between our alumni and companies seeking qualified business developers, ensuring the right talent meets the right opportunities.

4. Continuous Career Support & Networking Opportunities

- We organize activities and events to support our alumni on their career journey, providing opportunities for continuous learning and professional growth.

CERTIFICATION & CAREER IMPACT

- Upon completion of the program, participants will receive a **certification in Business Development** from BDI.
- All certificates are uniquely coded to prevent duplication and ensure authenticity.
